

**THE NEXT CHAPTER IN LAUNDRY: SINGLE-LOAD LIQUID LAUNDRY PACKETS.** Join us in the 2013 National Poison Prevention Week observance and share these safety reminders, now and year round, regarding single-load liquid laundry packets with your family, friends and any audiences that you reach and teach.

**IT'S SPRING CLEANING TIME!** Are you ready to turn your home over for a new season? We've got the handy hints you need to get your house looking crisp and tidy - from shinier floors to the most sparkling windows.

**SPRING IS IN THE AIR!** Which means hands are in the ground – prepping soil, pulling weeds, planting seeds. Here's the best way to wash off that dirt and keep your hands and fingernails as fresh and clean as daisies.

**COLD AND FLU SEASON MAY BE UPON US,** but viruses are not the only things that can make us sick. Are you cleaning your cutting board and knives properly in order to prevent foodborne illnesses? Better read up before you start chopping!

**CELEBRATE EARTH DAY ON APRIL 22ND** by discovering how you can take care of our home (the planet) while maintaining your household. Here are 13 tips for 2013 – from cleaning dishes to changing air filters. Every little bit can make a big difference!

**I'm motivated this year to do a massive spring cleaning, but with little kids running around my home, how can I make sure they stay safe from the various cleaning products?**
