

**Douglas M. Troutman, Senior Director, Government Affairs**

Douglas Troutman has served as Senior Director, Government Affairs at the American Cleaning Institute® (ACI) since 2007. At ACI, Mr. Troutman focuses much of his efforts on advocacy efforts related to chemical management, product safety, environmental and energy issues among other cleaning product industry matters. Mr. Troutman was a legislative aide to U.S. Senator Arlen Specter from 1992 to 1996. Mr. Troutman earned his J.D. from the Villanova University School of Law, and his B.A. in International Affairs and Russian Studies from The George Washington University in Washington, D.C. He is admitted to the New Jersey bar.
