Laundry

SEPTEMBER IS BABY SAFETY MONTH, sponsored by the Juvenile Products

Manufacturers Association. ACI is partnering with them to share important safety messages. Practice safe laundry room habits and prevent accidents by storing laundry products up and out of reach and sight of children, just as you would with other household cleaning or personal hygiene products. Take our **online Pledge** today for a chance to win a \$2500 gift card!

Handwashing

CELEBRATE CLEAN HANDS WEEK

in September by promoting handwashing for kids of all ages. The CDC says handwashing is critical for preventing the spread of germs, so establishing proper habits *now* can protect your family during the upcoming cold and flu season. **Click here for ACI's tips** on how and when to wash, plus advice for when soap and water aren't available.

Surfaces

WHEN KIDS COME HOME FROM SCHOOL, GERMS DO TOO.

Get a smoother running household, brush up on cleaning basics and get the kids involved with cleaning tasks. ACI's quick tips and daily habits are designed to make cleaning easier even on the busiest days now that school is back in session. **Click here for a handy list** of chores to help the whole family divide and conquer.

Dishes

DOING THE DISHES IS EASIER WITH THE RIGHT STEPS.

With grilling season over, indoor meals can lead to dirty dish pile-up in your sink. Whether you're cooking for your family or you're on your own for the first time, dishwashing is easier when you use the right tools in the right order and tackle the task in a timely fashion. **Click here for ACI's expert advice!**

Sustainability

CLEARING CLUTTER IS ALWAYS IN SEASON!

This fall, improve your home environment by reducing, reusing and recycling. With ACI's "Cleaning for Better Living" tips, you'll free up space (both mental and physical) and make homekeeping easier because you'll have fewer things to clean around! Downsize your "stuff" with these **easy tips** for simplifying your environment.
