Sudsy and Soapy were sad. No one had visited them.

Our friends are outside playing.

Our friends need to wash their hands. Sudsy and Soapy made bubbles to remind their friends to wash their hands.
The bubbles taught the children when to wash their hands.

After using the toilet
Because you are important
Before you eat
After sneezing or coughing
After playing with pets
After playing outside

They heard footsteps and laughing.
Hooray for clean hands!
Hooray for handwashing!
